

Boost your business potential

Recruit through Talent Match and you will be **investing in the future** of Birmingham and Solihull and **boosting your business**. **Drive your business forward** by unleashing the talent of young unemployed adults, fully supported by the Talent Match team.

Give a young adult the opportunity to develop their talent within your business

We're looking for host businesses to take on a young adult for a **six month work placement, subsidised by Talent Match**, with the potential for ongoing employment.

Talent Match supports employers. We...

- ★ Reduce the financial burden to host employers through **wage subsidies**
- ★ **Minimise the risk** to host businesses by employing young adults through the Talent Match Company
- ★ **Only recommend suitable participants** and encourage hosts to interview prospective candidates
- ★ Prepare young adults to be **'work ready' before matching** them with a host employer through sustained, personalised wraparound support
- ★ **Continue to support** the young adult throughout their first six months of employment.

What is Talent Match?

Talent Match is pioneering innovative ways to address long term unemployment in Birmingham and Solihull amongst 18-24 year olds who are furthest from the job market. We're working with businesses to boost your potential by unleashing the hidden talent of our young population.
